Dr. Sonia Mehta -

MD, Ophthalmologist, Assistant Professor at Wills Eye Hospital

# **Biography**

Dr. Sonia Mehta graduated Magna Cum Laude from Boston University and received her Doctor of Medicine degree from Boston University School of Medicine. Dr. Mehta completed her internship in General Surgery at the University of Pennsylvania-Presbyterian Medical Center. She performed her ophthalmology residency at the University of Pennsylvania and Scheie Eye Institute, where she was awarded the University of Pennsylvania Department of Ophthalmology Teaching Award by the faculty and students for outstanding teaching of medical students.Dr. Mehta completed her twoyear vitreoretinal surgery fellowship at Emory University where she was recognized by the Department of Ophthalmology two years in a row for outstanding clinical research. Dr. Mehta is an active member of the Retina Service at Wills Eye Hospital and is Assistant Professor of Ophthalmology at Sidney Kimmel Medical College at Thomas Jefferson University. She is actively involved as a clinical investigator in multiple clinical trials pertaining to age-related macular degeneration, diabetic retinopathy, retinal vein occlusions, uveitis, and vitreoretinal surgery.Dr. Mehta has authored numerous articles and book chapters on vitreoretinal diseases and has lectured and taught instructional courses at ophthalmology meetings. Dr. Mehta is also author of Step-Up to the USMLE Step 1, among the bestselling medical textbooks, now in its fifth edition.

# **About**

SANGIOVANNI-GEISER LABORATORY AT THE UNIVERSITY OF ARIZONA

FOR STUDENTS, BY STUDENTS

The <u>Undergraduate Fellows</u> and Scholars of the <u>SanGiovanni-Geiser Laboratory</u> at the University of Arizona invite you to join our Professional Enrichment Series. This series is founded by undergraduate scholars of the Mechanistic Studies Branch, Integrative Omics Branch, and Physiological Imaging Branch.

This enrichment series is aimed to provide guidance from professionals throughout and beyond the biomedical health field. Guest speakers are invited to elaborate on their past experiences, passions, and goals as they engage with students in sharing key lessons along their professional paths.

We encourage you all to ask questions and not to be afraid of challenge and insight.

Questions? Please click <u>here</u>. For more information, visit <u>https://nutrientscience.org/</u>
